NEIGHBORHOOD GARAGE SALES ARE A SUCCESS!

We had quite a few join in the neighborhood garage sales. We saw quite a few pink balloons marking all the participants. And, for all those shoppers, it really helped when we let them know how to find us.

With the donations dropped off at Ada's, we were able to bring in \$300 for the clubhouse. First, we're thinking we might need to add a dart board. Then, who knows!?!

Professional Window Washing

from a neighbor you can trust

Call today for a neighborhood bargain and a clear view you can enjoy every day.

I clean it all – inside/outside, screens and tracks.

MARCH POTLUCK SOCIAL

Well, we had so much fun at the February Social, no one remembered to get any pictures. So . . . you just had to be there!

Out next Potluck will be on **March 21st at 5:00 pm.** This month, it will be hosted by Chuck & Kathi George and Dick and Mary Horn.

As usual, please bring a dish to pass. We've only got a few more months before people start heading back to their northern homes, so stop in and enjoy some time with your neighbors.

LADIES LUNCHEON

Last month, we had mock wedding attendees, complete with bride, groom, minister, maid of honor and attendees. There was even a wedding cake!

Our next Ladies Luncheon will be on **March 11th at 11:30am** catered by Sweet Peas. We'll have BBQ Beef Sandwiches, Pasta Salad with Mozzarella and Tomatoes and Assorted Cookies and Brownies. It's \$10 at the door. **Make your reservations by March 7th to Mary Horn at 520-282-1390 or mmhorn@me.com.**

PACK RATS ARE INVADING!

Just a reminder not to throw any food over your back wall or along the washes.

You may think you are providing food for animals, but you are attracting pack rats. And, you know snakes can't be that far behind.

Please dispose of these items by running them down your garbage disposals or in putting it in your trash.

Thanks!

HIKING EVENTS

The Romero Pools Hike in the Catalina State Park was well attended on February 20th.

There were some beautiful views. Check

out the scrolling photos on the Viewpoint website.

Our next hike is a two-day trip to the Chiricahua National Monument on March 5th and 6th.

Then, on March 19th, we hike out and back (5.1

miles) through the Catalina Mountain Wilderness under little Elephant Head – the Quantrell Mine Hike.

See the website for information on all hiking events.
